## To All Patients

### How we use your information

Medical confidentiality is the cornerstone of trust between doctor and patient and we keep your records secure and confidential at all times. For your direct care either from the practice or within the NHS hospital services we imply your consent to pass on relevant clinical information to other professional staff involved in your direct care.

Only when there is a legal basis for the transfer of data we may pass limited and relevant information to other NHS organisations to improve the efficient management of the NHS or to aid medical research.

If you wish to see more information about this subject please visit our website at [www.saffronwayhealthcentre.co.uk](http://www.saffronwayhealthcentre.co.uk)

If you wish to object to the use of the data for these secondary uses please speak to the Practice Manager.
